11 EXPLANATION

12 This bill relates to activities conducted by local emergency  
13 management commissions.

14 Currently, activities involving budgeting for local  
15 emergency management commissions can only be conducted by  
16 commission members or designated alternate members that are  
17 elected officials. The bill eliminates the requirement. As a  
18 result, a designated alternate member that is not an elected  
19 official could participate in commission activities that relate  
20 to budgeting.
